LUNENBURG

Eurocentres Atlantic Canada is located in beautiful Lunenburg, Nova Scotia – a UNESCO World Heritage site and one of Canada's most beautiful places. Established in 1753, Lunenburg is full of history and rich in culture.

Lunenburg is a safe community with no crime and is the ideal location for young students who are away from home for the first time. Eurocentres students often enjoy exploring the coastal community and spending time on the scenic waterfront which is home to the famous racing schooner, the Bluenose!

Lunenburg's harbour-side streets are lined with unique shops and restaurants that blend with the well-preserved and colourfully painted historic homes, much of it like a living museum from the 18th century. It is truly a magical place to spend your summer – we look forward to meeting you!

ROOM AND BOARD

Junior Students stay at the student residence and eat in our student restaurant, both located only 2 minutes from our campus. Each student will be paired with a roommate of a different first language (when possible), meaning communication in English will be essential! Camp Counsellors will live in the student residence as well and will be available 24/7 to help. Living in our student residence has proven to be an unforgettable experience. Our students consider each other family and many keep in contact even after their courses have come to an end.

Our student restaurant provides you with 3 well-balanced home-cooked meals per day, ensuring that students stay healthy and energized during your stay! Students will also receive healthy snacks throughout the day.
