

English for Workplace – EFW – Programs for Employers

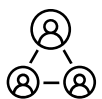

Atlantic Canada Language Academy has been supporting Newcomers to settle in our regions since 2010. We have worked with people from over 40 Countries to learn English and Canadian work skills. We are a designated learning institution with pathway programs to over 15 post-secondary schools and support Nova Scotia Office of Immigration for Lunenburg and Queens County. Our teachers are highly skilled educated trainers that understand the needs of additional language learners.

We are offering programs for Employers to support your current team in advancing.

- **Leadership - Workplace Communication (Intercultural awareness)**
- **Communicating as a team – Inclusive**
- **Employees English Courses – Beginner to Advanced**
 - o **Meeting CLB or ielts levels for IRCC processing**

ACLA Offers programs in the following formats. We have programs to meet all business needs from individual to groups. Our sessions have been prepared by HR Specialists and English Language Teachers dedicated to supporting great work environments.

1. **Webinars** – Delivered via zoom – 1-3 hours
2. **Workshops** – Delivered online and in person range from ½ day to weekly depending on needs
3. **Training courses** – Skills development for individuals requiring additional learning, range from 1 week – 42 weeks.

ACLA – English for Workplace

Delivery

ACLA will meet with your company to determine your immediate and long-term needs. We will recommend programs that meet your goals in education and employee engagement.

Online

In person

Schedules – based on work demands – travel costs additional for on site.

Leading Diverse Team – Workshops (DEI – Diversity Equity Inclusion)

Workshop – 2 sessions 2 hours each > delivered over 2-week time frame (4 hours per participant in our basic program. Additional hours available based in group level). Each program is presented by 2 skilled facilitators.

- ACLA will survey all participants in advance of workshop
- Exercises for participants (15 per group)
- Group sessions – 4 hours of participation per person for base program

Leading diverse teams' workshops have been designed to work with people in roles where they are leading people from multiple cultures. We will explain cultural differences, explore all types of learning, personalities and general communications. Define best practices when writing, speaking, texting or emailing or presenting information to people. Improving your overall company communication.

Outcomes:

- ✓ Improved company communication internally and externally
- ✓ Improve business productivity and quality, increasing profits
- ✓ Ability to connect more effectively in your workplace
- ✓ Improve overall employee moral with ability to communicate more effectively
- ✓ Develop a cultural awareness and understanding for differences in people
- ✓ Understand Diversity, Equity and Inclusion and your part in it
- ✓ Reduce turnover and stressful situations
- ✓ Attract more people to your organization
